Spring Spruce Up

Unsuspecting pampas grass clumps, like the one at left, received much need haircuts last week. The weather was cooperative as the Ocean Shores Community Club maintenance team began their spring improvements.

From the Desk of the General Manager

"When spring came, even the false spring, there were no problems except where to be happiest."

— Ernest Hemingway

Dear Ocean Shores Community Club Members:

March always comes in like a lion and the softness of the lamb shows up in the later part of March. The storms become slighter and the sun shows itself a little more. We awaken to the beautiful feeling of spring and the anticipation of nature's visual growth and beauty.

Buds are showing, cubs and fawn will shortly be ever present in our neighborhoods and more of us will be out and about enjoying the great weather and amazing surroundings which surround us! Welcome spring!! Growth and change are on the horizon.

regular attendees are excited for their return. Welcome back Cheryl!

Gentle Yoga is held on Tuesdays from 11 a.m. to 12:30 p.m. in the gymnasium. Remember to bring your mat. Chair Yoga is held on Thursdays from 11 a.m. to 12:30 p.m., and is also in the gymnasium.

Evening Water Aerobics will hold its final class on Wednesday, March 12. We wish to thank Monica for sharing her passion and commitment to better health for

From Lifeguard to Army National Guard

STORY AND PHOTO BY STEPHANIE MORTON

Ocean Shores Community Club lifeguard, Wyatt Rockey, will soon be heading off to Army National Guard basic combat training at Fort Jackson in South Carolina. He is a 2021 graduate of North Beach High School and grew up in Ocean Shores.

After nine weeks of basic training, Wyatt, 21, will attend an advanced individual training course where he will learn all about the military's most versatile aircraft, the UH-60 Black Hawk helicopter.

He will train as a 15 Tango, which he said is military speak for a helicopter mechanic and technician. Working towards a career as a helicopter pilot, Wyatt will be learning about every component of a Black Hawk such as the engine, rotors, gearboxes and transmissions.

Wyatt said his journey to become a full-time National Guard pilot will include a possible stint as a crew chief and then eventually, a warrant officer. He had checked out the Coast Guard and civilian pathways to his dream job, but said his recruiter, James Benham, easily demonstrated why the National Guard would be the best and fastest route to piloting helicopters.

Wyatt already has a private helicopter pilot license which he received through Glacier Aviation and has flown a Robinson R22, a two-bladed, single engine flight training helicopter.

"You can feel every breeze," said Wyatt of the lighter aircraft, which he sometimes flew with the doors off during his required hours of flight time.

For fun, Wyatt likes to camp, hunt and play video games. Working out is a necessary and favorite pastime as boot camp is just around the corner.

"I am also an expert flan maker," said Wyatt, who enjoys cooking, too.

His parents, Beth and Steve Rockey, are excited for Wyatt's future, with mom being a little nervous about her son joining the military. Wyatt said he will probably be based out of Joint Base Lewis-McChord so mom will be happy that he is close to home.

It's possible that Wyatt will return to the community club pools in between military gigs. His younger brother Elton also worked as an OSCC lifeguard during summers while attending North Beach High School.

The Ocean Shores Community Club is very proud of Wyatt and we wish him continued success. Way to go, Wyatt!

Wyatt Rockey departs for basic training at Fort Jackson in mid-March.

A Step Back in Time

March 1997 Ocean Observer is a joy to read. The issue shares the multitude of activities within the Ocean Shores Community Club as well as happenings around town. While activities have changed some, our drive to engage and build friendships within our current time is ever present. Check out the 'old times' and come share in today's events. Our schedule is online and available at the front desk. Copies of the March 1997 issue are available at the club. We look forward to seeing you soon.

Closing Thought

Members are always encouraged to join the groups led by members. It is a great time to make new memories with old friends and to develop new ones. Come join the fun and enjoy some laughter. To help paint a picture of what spring can bring here is a quote from Bishop Reginald Herber:

“Spring unlocks the flowers to paint the laughing soil.”

Happy Spring and lots of laughter to all,

Kathleen
